NRLN Agency Offering Quality Insurance Plans for 2012

The NRLN Agency is continuing to be responsive to NRLN Grassroots Network Members who have stated in NRLN surveys that the NRLN should inform them of health care insurance plans. Through a new website and new partner, Mature Health Center, the NRLN Agency is making access available to premium quotes on 2012 insurance plans for health care, prescription drugs, long-term care, and dental discounts. There are Medicare Supplement Insurance (Medigap) plans and health care plans for pre-age-65 individuals and family members.

Medicare Supplement Insurance (Medigap) plans help pay some of the health care costs that Medicare doesn't cover. A participant in Medicare may change his or her Medigap plan at any time. The enrollment period for a 2012 Medicare Part D prescription drug plan or a Medicare Advantage plan is October 15 to December 7, 2011. Because the federal government is reducing the subsidy that it pays to Medicare Advantage plans, the NRLN Agency has elected not to offer them.

To speak with a Mature Health Center designated representative, call toll free at **1-877-631-2843**. Tell the representative that you are a member of the National Retiree Legislative Network (NRLN). You may also send an email with your questions to Mature Health Center at kori@maturehealthcenter.com .

The NRLN Agency is governed by five NRLN Board Members. The NRLN does not fund or financially support Agency operations with retiree association or individual dues. The Agency may receive market access fees that flow directly to the NRLN as contributions that support you.

In order to protect you from receiving insurance company nuisance mail, the NRLN Agency has final approval authority of materials and in-house control over the printing and mailing of materials you may receive from Mature Health Center and our mailing list will not be made available to them.

Check out the website and get your questions answered. Any information submitted to obtain a quote will be kept private. If you have feedback for the NRLN

Agency, send it to nrlnmessage@msn.com .
