Chasman, Dick (Richard)

Rush, NY: Age 69, died on July 8 after happy and productive life, surrounded by friends and family, to the strains of cello music by his wife, Kathy Lewis. He lived life doing the things he loved--backpacking, astronomy, bee keeping, maple syruping and more. After an illustrious research career at Kodak he founded InSite Inc, moving mountains with software. He will be missed by many as a husband, father, grandfather, brother, uncle, colleague, mentor and friend.

A celebration of his life will be held later this summer. Donations in his memory may be made to WXXI or the Rochester XC Ski Foundation. RochesterCremation.com
