**Ambrose, Dr. Robert T.**

(Tucson, AZ) Formerly of Rochester, NY. Dr. Robert T. Ambrose, 76, passed away Christmas day, after a brief, valiant battle with cancer. He will be sadly missed by his children: Craig (Nanette), Kathy, Joyce (Michael McDonough), and Karen (Scott Williams); wife Gloria Bernat, of Tucson; grandchildren, Marc, Michelle, and Anna; along with a large extended family, friends, and former colleagues.

Dr. Ambrose relocated from California to pursue his dream of research science for Eastman Kodak. He excelled in his field and became a project manager within the firm. He retired in 1991, and moved to Green Valley, AZ, where he met his wife Gloria.

He had many passions, including bird watching, fine wine aficionado, hiking, and truly enjoyed all outdoor activities. His devotion to his family will be cherished, and his love for us will see us through this very difficult time.

As per Robert's request, there will be no calling hours. His wish was to be returned to the earth. As such, ceremony will be held privately in Arizona. Anyone wishing to make a donation in Robert's honor, please consider The [American Cancer Society](#) or The National Audubon Society as your choice.
